

Want to study in the UK? Get advice from experts who really know ...

**Join us online from Monday 4 to Friday 8 October 2021.**

**Study UK: The essentials** is a free online event for students from European countries who want to study in the UK. This is your chance to get the latest and most important news and advice about everything from filling in your application to getting your student visa and starting out as a UK student.

We'll be joined by 53 universities – including:

- five of the UK's top ten and two in the world top 20 university rankings (Guardian's University Ranking 2021, Times Higher Education World University Rankings 2021)
- 16 out of the 24 Russell Group of renowned research universities
- great universities from all around the UK offering an amazing range of world-class courses and course combinations

... along with current and former students, who will give you real-life tips and the 'true story' about study in the UK.
